

Salt Valley HRC Meeting Minutes
Majors Restaurant, Lincoln, Nebraska
October 30, 2008

- Attendance:** Troy Bailey, Kirk Steffensen, Joe Swanson, Chris Hughes
- SVHRC Hunt Test:**
- Decided to move the HT dates from march 28 & 29 to April 4 & 5
 - Looking to move to the second weekend of April in 2010 which would be the vacated Elkhorn Valley HRC date.
 - Troy is going to contact Entry Express and Hunt Secretary to check on costs, etc., if using them.
- SVHRC Training Dates:** Troy is going to get next years training days and come up with a training plan for each date as opposed to just a hunt test scenario. For instance, one month force to pile and three handed casting. Next month single and double T. Next month advanced marking, etc.. We'll also incorporate some hunting training - steadying, marking off gun, etc., so that we not only play to the hunt test folks but also to hunters
- Special Raffle:**
- Troy will be making a flyer to distribute to vet office, Scheels, etc. Troy will make a PDF and email to members for them to print and put up as needed.
 - We are going to do a pre-test raffle again. I have some tickets left from last year and I will be mailing them out soon. One ticket for \$5 or five for \$20. More than likely the gun will be a Benelli Nova again, Kirk is going to check some different guns, I'm going to check with RNT for calls and we have a Tri Tronics collar left over from last year. We're hoping to have tickets in members hands before Thanksgiving
- SVHRC Membership:** Chris is going to get a list of local DU banquets. We're going to see about attending several banquets in an attempt to boost membership.
